

General Community Rules

- Please consider your neighbours and keep noise levels down, particularly in the evenings
- Voices and music can travel long distances on our resort, particularly in the evenings, so please keep noise levels down within buildings and your apartment. Scraping chairs, closing doors and high heels cause noise throughout the building, so please be always considerate to other occupants in your building.
- Please don't ride your bicycle on any grassed or garden areas.
- Please do not block paths with chairs or sunbeds.
- Washing that is being dried should not be visible from the roads, nor must it be dried in public areas such as the grassed areas outside the private gardens. Nothing should be hung over balcony railings or walls.
- Please only park in designated spaces.
- The speed limit on the resort is 30 km/h, please adhere to it.
- Please use the dedicated rubbish bins around the resort. To leave rubbish anywhere else is unsightly and unhygienic.
